Fine Residence for Sale

The subscribers offer for sale the residence of the late William S. Littlejohn. This property is pleasantly located on a large corner lot on Orange and Farnham streets. The lot has a frontage on Orange street of 141 1/2 feet and 100 feet on Farnham street. The house contains twelve rooms, finished in hard wood, heated with hot air and hot water, and fitted throughout with electric lights. There is also a fine gas range in the kitchen.

There is an exceptionally good granite cellar under the house with cement floor, and contains a wash room fitted with set tubs and gas heater.

There is a small barn in connection with the property and the lot is large enough so that another house could be erected if desired. The house was built by the late owner for a home, all the work being done by the day under his own personal supervision, and only the best of material were used in its construction. Anyone looking for a desirable home should make it a point to see this property.

Ladies' Tailored Suits

Ladies' Tailored Suits are as popular as ever, and our line is full of the season's best models.

We are putting out for \$15.00 one of the best Suit values we have ever shown, and when you consider the advance that has been made on all tailor-made goods you can readily see we cannot duplicate these values after this season.

At \$18.00 are some new Serge Suits that are made by the best tailors and have all the style and finish of the better Suits.

At \$25.00 we can give you a large range of different models, all made in the popular styles, but each one different from the other. These we can duplicate, but do not like to take special orders from.

At \$30.00 are some very fine models, made of fine serge, chiffon broadcloth, chevrons and diagonals. These are the season's best values, and we are sure the value is as good as any we ever put out.

At \$35.00 are a few new models, made of serge and German broadcloth. These are only sample Suits.

Ladies' and Misses' Long Coats

Any garment house that tries to carry a good line of Coats through the season is sure to be left at the last of the season with a few good numbers to carry over into next season.

We carried from last season about sixteen ladies' and twenty misses' Coats, which we are going to put on sale Saturday at just one-half price, to close out the lot.

In the Misses' Coats are Coats that sold at from \$6.50 to \$12.00 each; are good styles and of a fine all-wool material. There are no two alike.

This means you can get a good Coat, size 8, 10, 12 or 14 years, at a little price.

The Coat that sold at \$6.50 is now \$3.25; the one that sold at \$8.75 is now \$4.38; the \$12.00 Coat now at \$6.00. The styles are all right, only we carried them from last season.

In the Ladies' Coats, sizes from 14 to 20 years, or from 32 to 38, are Coats that sold at from \$10.00 to \$18.00, now to close at one-half price. If your size is here and you want a good, everyday Coat, you should look these values over before they are all sold.

The ninth grade commercial room of Spaulding held a corn roast in Gale's field last evening and it was largely attended by the pupils of that room. The success of the corn roast was largely due to a committee composed of five members, Louise Canton, Mildred Gregware, Annie McKay, Neal Blanchard and Herbert McMillan.
